Additional Costs for 2027

Dear Parents,

As a school, we always strive to assist our families by minimizing unexpected costs throughout the year while still ensuring that our children enjoy the best experiences we have to offer. To help you plan and budget accordingly, we have outlined all additional costs for 2027 below.

Educational Shows & Visits

We believe in creating fun, hands-on learning experiences for our children. This year, we will be hosting a variety of exciting educational visits, including:

- Magic Show
- Farm Animal
- Fire Truck/Policeman Visit
- Exotic Pets & Reptiles Show

The total cost for all four shows will be R400.00 per child, payable by end of February 2027. These visits are spread evenly throughout the year and tie in with our weekly themes. All dates are listed on our yearly planner.

School Photos

Our annual school photo day will take place on **16 April 2027**. Payment for photos is optional and made directly to the photographer. Sample photos and order forms will be sent home after photos have been taken.

School Concert

Our annual school concert will be held on **2 October 2027**.

- **Costume Fee:** R150.00
- **Ticket Cost:** R40.00 per person

Payments for both will be due by end of August 2027.

Graduation & Re-Registration

Graduation and re-registration fees are R450 per child. These can either be paid in full in October 2027 or split between October and November 2027.

All communication, reminders, and relevant forms will be sent home in due course.

We sincerely thank you for your continued support and look forward to another wonderful year of learning, fun, and growth together.

If you have any questions or need further information, please don't hesitate to contact me at any time.
